

## WEG Replays on YouTube

Toronto, November 20, 2009 -- In an aim to better serve customers, Woodbine Entertainment Group is now making race replays available for free viewing on YouTube, the Internet's most popular video site.

Casual fans and seasoned handicappers will now be able to review racing action at their leisure for up to five days after the date of the race card.

The account code 'WEGReplays' provides access to thoroughbred and standardbred content originating from Woodbine and Mohawk.

The live Thoroughbred season has two-plus weeks left. The Wednesday-Sunday schedule concludes Sunday, December 6.
