

## Attention Trainers and Owners

All employers should have, or will soon be, receiving a letter from WSIB.

This letter outlines a new classification system, called the 'rate framework', that will soon be put in place. The letter should include your old classification number and your proposed new one. Most trainers stabled at Woodbine/Fort Erie will have the old classification number of 9699-002 (Horse Trainer and Riding Operations), their new classification should be 711213.

Please read the letter carefully to ensure that your business has been given the correct new classification. If you have any questions, please contact WSIB at 416-344-1000.
