

31 FREE ONLINE COURSES FOR THOROUGHBRED RACING TRAINERS, ASSISTANT TRAINERS & GROOMS

Register now for the Equine Guelph 'Gut Health & Colic Prevention' Online Short Course

Not only is colic the number one killer of horses, but it is an identified major issue facing the horse racing industry. Are gut issues and colic affecting your stable's performance on the track? Learn from industry experts how to reduce the risk.

Never taken an online course before? No worries! This course takes a common sense, practical and flexible approach to training – no prior online learning experience required.

January 22 – February 11, 2018

FIRST COME, FIRST SERVED TO FIRST 50 (31 LEFT)

Register at www.TheHorsePortal.ca/OntarioRacing using coupon code ORacingTBghc (coupon value \$95)

This program is an online training partnership between Ontario Racing and Equine Guelph, with funding provided by Grand River Agricultural Society and support from HBPA.
