

IMPORTANT UPDATE FROM YOUR HBPA

NUMBER OF DAILY RACES

Woodbine will begin adjusting the number of races per day which will see fewer races during the week and more on the weekends. The weekend cards produce additional pari-mutuel wagering. The number of races per week will not be declining providing there are enough entries to fill the races.

Please provide us with feedback regarding this project.

B MAIDEN RACES

The HBPA has met with Woodbine regarding the B Maiden races which have been offered. The HBPA does not support these races, as they are not in the best interest of our members or field size. We continue to engage Woodbine and hope to have a resolution shortly.

LIABILITY INSURANCE

The HBPA obtained a general liability insurance policy to assist Trainers in protecting their assets in the event of a significant injury or damage to property that arises from the horse(s) in their care, custody and control.

Coverage involving one horse is limited to \$10,000 and \$100,000 on incidences involving more than one horse. The plan has a \$5,000 deductible on all claims.

Trainer's are recommended to acquire their own coverage if wanting lower deductibles or stronger coverage.

NEW OWNERS SECTION ON HBPA WEBSITE

Our "New Owners" section on the HBPA website is now live.

This will be a one stop shop for those individuals who are looking to become an owner in our industry. From a list of Syndicates looking for participants and partnerships; to Trainers looking to take on New Owners. As well as the types of Ownership available, options on how to purchase or claim a horse and contact details for those who have further questions. We welcome those who need a platform.

For those Trainers and Syndicates looking to advertise, please send your contact details and advertisement to Lesley Barker via email at lbarker@hbpa.on.ca.
